Specialty Tanks & Products

We have teamed up with numerous companies to design and fabricate completely custom items. APR is one of only a few companies in the United States that produce a complete range of top-quality, large and small tanks and containers. Our unique skills and strict adherence to DVS standards make us the perfect choice for any company considering custom plastic products. Our ability and creativity give us an edge over the competition. We've been in business for over 25 years, and each year we discover new uses for the CPP material and special equipment that we utilize. Regardless of your industry or how intricate your project is, APR can work with you to turn your ideas into a reality. Contact us today!
